***We always look for quality people who are serious about excelling in the Real Estate Business in India.***  
At RE/MAX India, your success is limited only by your ability, determination, and hard work. **BE YOUR OWN BOSS.**

Whether you are an existing Real Estate Agent or are new to the profession, you must be a good communicator along with the drive and determination to succeed. You must have the ability to work on your own initiatives and to support yourself for a few months before you start generating your commission income.

Having experience in the Real Estate Agency industry is an advantage but it is not essential. After a careful selection process, you will attend our training wherein you will learn practical and efficient techniques that will allow you to quickly immerse yourself in the Real Estate sector the RE/MAX way.

***Open new doors for yourself! Come and see what RE/MAX has to offer***
