I came in contact with REMAX on replying to an online ad for sale of a residential flat at Sodpur. The purchase is in the process of being completed. Buying a property through a property broker was something I had at one time thought of as totally superfluous. But I soon realised that brokers with presence all over India, are essential especially when there is a gulf of a thousand kilometers separating buyer and seller. I feel brokers will soon play a vital and much bigger role in bridging this gulf, and make the Indian property market fluid so that PAN-India buying and selling of property will become easier thereby unknowingly serving the cause of national integration.. As regards my own experience with REMA, it has till date been a pleasant one. Much of the paperwork and headache has been taken care of by Jaydip and Suresh of REMAX, both of whom are well-informed and prompt. I am confident they will make the dreams of many more first-home buyers come true."

Recently, I - representing my family - was involved in the selling of a residential property in Kolkata. My experience of working with Mr. Jaydip Mehta and his team at RE/MAX was an excellent one. Mr. Mehta's personalized handling of the project - his attention to detail - his professionalism - and his constant vigilance in maintaining my interests in the transaction is worth lauding.

Business aside, over the months, as the selling process unfolded, we have also established not simply a level of familiarity, but also one of friendship.

I unhesitatingly recommend the services of Mr. Mehta and his organization to anyone who is interested in a hassle-free and personalized experience!!

We had a very pleasant experience with REMAX Kolkata with regards to the sale of our flat at Ruchira Residency - the service provided was extremely professional (quite unexpected for a company based in Kolkata). It was a very comforting experience dealing with Mr. Jaydip Mehta who actually knew the market rates and went all out to get us the best rates. At the same time the support provided by the firm when I was there in Kolkata was amazing - Mr. Suresh Singh, the Business Administrator provided excellent support every step of the way and not once was the quality of service lacking. I will always recommend REMAX run by Mr. Mehta to my friends for their amazing service and thorough professionalism
